Do you have room in your heart + home for a child in need from our community?

Join us for a night of learning about how **YOU** can make a difference
in the lives of children in Jefferson County!

DID YOU KNOW...

- There is always a need for more local foster homes in order to keep kids in their community and school.
- Foster parents come from all income levels. Foster parents can work full-time, part-time, be retired, or stay at home. Daycare assistance is available as needed.
- Foster parents can be married, single, widowed, or divorced. Foster parents can be renters or homeowners. Foster parents can be of any age and background.
- Foster parents do not need any prior parenting experience. Foster parents always have choice in which placements to take and can specify what type of placements they're best suited for including the number of children, age, sibling groups, etc.

For any questions about the event or if you're interested in learning more about becoming a foster parent but cannot attend, contact us at 920-674-8119.
